Sara Pellach is one of the world's leading guides to eastern Europe. A second-generation Holocaust survivor, Sara earned a B.A. and M.A. in history from Bar Ilan University. Over the last 36 years, she has led 300 groups from Israel and abroad to Poland, and served as the guide of choice for Israel's Department of Education. Sara and Rabbi Weiss have led 5 previous trips from Ra'anana to Poland, Czechoslovakia and Lithuania. Rav Atlas will add a unique spiritual element to our journey.

While no visit to Poland can capture the totality of the Shoah's tragedy, this tour's intensive educational and emotional experience will give every participant a deeper glimpse into the Holocaust and its indelible imprint upon Jewish history. We will learn, we will feel, we will share together this cataclysmic event, returning home with an even greater love and admiration for Israel and the Jewish People.

For a full, daily itinerary of the tour and/or to indicate your desire to join us, please respond to Rachel Jacoby, R.jacoby@me.com; 054-303-5670. Trip will be confirmed once we have a minimum of 25 people.
